### Stew On This...

Question: What is Stewardship?

- (a) A fancy word for giving money
- (b) An old idea that has little relevance in today's world
- (c) Some title of another church committee that serves no real purpose
- (d) All we do with All we have, All the time

If you answered (d) You win! (Congratulations you!)

As followers of Christ, we believe that "In the beginning God created the heavens and the earth" (Genesis 1:1). And then - He gave all of that wonderfulness to us humans to "rule over" (see verse 26). The God of the universe - inventor of flamingos and giraffes, snowflakes and volcanoes, patience and laughter, buckeye trees and bearcats - He gave it all to us!

He gave it all to us with the expectation that "Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms." (1 Peter 4:10) What does that mean - "Whatever gift"? My beautiful singing voice? My super saavy computer skills? My incredible fishing instincts? My time? My money? My relationships?

Yes - those are all gifts. And, yes - we believe - they are all from God.

Stewardship is not just about money. It's about all we do with ALL we have - all the time. We have been so richly blessed by our Heavenly Father. He is the greatest gift giver of all time! And through our prayers, our presence, our gifts, our service, and our witness - The Stewardship Team is going to work to help us all live in His image more and more every day.
